Bracelet

You need:

- 2 Strings 60 cm
- 1 Hempstring 30 cm

- Scissors
- Tape

1. Hold the three strings together on the top. The hempstring should lay between the two longer ones and overlap them about 7 cm on the top.
2. Form a basic overhand knot. Tape down the knot to hold the bracelet in place.
4. Now follow the images.

5. Once you have knotted all the way down your bracelet, tie the three strings together by forming a basic overhand knot.
6. Tie up the two ends of the hempstring around your wrist. Crop the overlapping ends.
